

Dear Families,

Although we have not closed the school and remain open we now have so many children off ill that I wanted to share our closure plans with you now. We have been making decisions for this over the past few days and have the following systems set up which will be fully implemented once we close. From Monday we will try get additional work on Show my Homework, even if we remain open.

We have set up a timetable for year 7-10 to follow and work will be set according to this. The timetable is on the following page and also on our website. For Year 11 individual staff will set work for their groups frequently via Show my Homework, and students have been given work to take home.

During closure work will be set, in the best way possible, via Show My Homework. You and your child will be able to see at a glance what is set and contact the class teacher. Please bear in mind that if a lot of staff are ill or have sick children it may not be possible to keep this 100% up to date every day, but we will do our best.

- Students with limited access to the internet have already brought home packs of work.
- Year 11 have packs of work, and they will have other revision set online
- All students have been given a login for EdLounge which has 100s of hours of work. Teaching staff may be using this resource to set work but it can also be used as you need for additional work
- Other useful websites and resource links can be found on our website [www.shuttleworthcollege.org](http://www.shuttleworthcollege.org) on the Coronavirus update page.

In these uncertain times we still intend to try to support you all as best we can and have the following contacts:

- Students can directly contact teaching staff about work through Show My Homework.
- The school telephone number will be redirected to a mobile and will be answered Monday – Friday 9am-3pm. Please do not phone school with subject queries, please only use this number if you urgently need to speak to someone.
- You can email [ictsupport@shuttleworth.lancs.sch.uk](mailto:ictsupport@shuttleworth.lancs.sch.uk) if you have issues with passwords/logins for Show my Homework or EdLounge.
- You can email [admin@shuttleworth.lancs.sch.uk](mailto:admin@shuttleworth.lancs.sch.uk) with any general questions or enquiries.
- During closure we will not be able to provide daily free school lunches for all our students who qualify. If you do require support for lunches we will aim to arrange this. Please email [help@shuttleworth.lancs.sch.uk](mailto:help@shuttleworth.lancs.sch.uk) or phone the school number if you don't have access to email. If you have other welfare concerns which are not school work related, you can use this email [help@shuttleworth.lancs.sch.uk](mailto:help@shuttleworth.lancs.sch.uk). This email will be staffed Monday to Friday only, 9am-3pm.
- I have been assured that the government and councils are working on various ways to support families with lunches at this difficult time. We will post any guidance we get about this via the website.

Please follow all the government guidelines as well as you possibly can. This is going to be a challenging time so we need to do everything possible to keep people safe. We will keep posting links to latest guidance on our website. We will try to keep all our online systems working but we cannot guarantee there won't be issues. We will aim to resolve these as soon as possible if they arise.

Year 11 students and parents will undoubtedly be concerned about up coming examinations. At this stage we need to plan for things going ahead as normal, and keep working! If this changes over time rest assured we will let you know as soon as we find out.

We will stay in touch via the website and twitter and ParentPay emails. Take care of each other and do get in touch if we can support you and your family in any way. I will send out further information around any closures once I have it.

Stay safe and all the very best,

Yours sincerely

Ruth England  
Headteacher
