

17<sup>th</sup> April 2020

Dear Families

I hope you are managing to have some sort of Easter together. It certainly will not be forgotten in a hurry.

I just wanted to reassure you that work will be set again according to the online timetables from Monday. If you have lost any log in details over the break please email [ictsupport@shuttleworth.lancs.sch.uk](mailto:ictsupport@shuttleworth.lancs.sch.uk) for help.

From Monday the school number will be answered as usual between 9am-3pm. Our teams will also be out and about dropping off free school meal allocations. Please remember our [help@shuttleworth.lancs.sch.uk](mailto:help@shuttleworth.lancs.sch.uk) if you do need any support from us in any way be that school work related or more practical support.

We have set up a system which means every family will be contacted by phone at least once a fortnight. Remember these do show up as withheld numbers, so please don't ignore us!

The process for formulating the year 11 examination grades has now begun. Information from schools will be submitted by the end of May. Data will then be moderated and adjusted at a national level by examination boards. Students should then receive their grades on Thursday 20<sup>th</sup> August.

Can I please urge year 11 to keep on with the next steps work online and the links to A levels/BTEC courses for post 16. You will also notice that English and maths work continues to be set as it is important for you to keep your knowledge and skills in these subjects fresh, regardless of which course you are going on to in September. Doing all of this will mean you are very well prepared for when you do start college in the autumn.

Mrs Ackroyd our careers leader will be in touch with you all in the next couple of weeks to make sure you are clear about what happens next, in spite of the lockdown.

Finally can I remind you about the work going on in school making visors for key workers and providing PPE. To date we have produced and distributed over 800 visors. These have gone to hospitals, care homes, pharmacies, hospices to name but a few! Please can I urge you to share the link [https://www.justgiving.com/crowdfunding/shuttleworthcollege?utm\\_term=nKz534x53](https://www.justgiving.com/crowdfunding/shuttleworthcollege?utm_term=nKz534x53) with as many friends and family as you can. Also if you know of someone who needs support with visors please email us at [help@shuttleworth.lancs.sch.uk](mailto:help@shuttleworth.lancs.sch.uk).

Please do not hesitate to get in touch with us if there is anything we can do to help or you have any concerns about anything.

Yours sincerely

Mrs R England  
Headteacher
