

27th August 2021

Dear Families,

As we look forward to our return to school next week, I just want to confirm that the arrangements around the staggered return to school remain as communicated prior to the Summer break with each year group returning as follows:

Wednesday 1st September	Year 7 are tested and return home Year 8 to 11 lessons are remote via Teams
Thursday 2nd September	Year 7 attend on site Years 8 & 9 are tested and return home Year 8 to 11 lessons are remote
Friday 3rd September	Years 7, 8 & 9 attend on site Years 10 & 11 get tested and return home Year 10 and 11 lessons are remote
Monday 6th September	On site lessons for all students.

Timeslots for COVID tests for those that have consented will be sent out via text message today; students will be in school for up to an hour and then can return home immediately after, school uniform is not required to come in to be tested.

School life will feel much more 'normal' as we return; students will be able to mix and have break and lunch outside of classrooms and masks are now no longer necessary for students or staff but can still be worn if preferred. We will continue to ensure that rooms are well ventilated and additional cleaning measures will also remain in place.

Students must be in full school uniform when they return for on site lessons. Please ensure facial piercings are removed and any extreme hair colours are washed out before our return.

We look forward to seeing you next week for the beginning of a hopefully more settled year.

Yours Sincerely,

Ruth England
Headteacher
