

Dear Parent/Carer

We are approaching the first anniversary of our Parents Forum, and it's been a very successful first year; creating a great network of supportive parents/carers and increasing our support of the school and school activities. Last year saw us run a Macmillan Coffee Morning in school, provide feedback to several school initiatives, attend Open Evening and establish an evolving book exchange; culminating in our Winter Fair, which raised almost £900 for the school.

The group continues to operate through the private Facebook group and we are constantly reviewing the best methods of communication. Please join us at "SC Parent Forum" to keep up to date with news and join the conversation.

Meetings have been scheduled for the next two terms and fall into 3 categories:

**1) Parent Voice**

This will be an opportunity to discuss ideas and suggestions, and for the school to consult us on our views on proposed changes and policies. This is a solely parent forum led event and no representatives from the school will be present.

All feedback will be given to the school under the umbrella of the 'Parent Forum', so no individual names will be used.

The first parent voice of 2020 will be held on **Wednesday 5<sup>th</sup> February at 6.15pm**. Please follow this link to register your priorities for discussion.
