

15 October 2021

Dear Parent/Carer,

I am writing to inform you that our brand-new student enrichment club timetable will launch upon our return to school 1st November 2021. Please see time table of activities here:
<https://www.shuttleworthcollege.org/curriculum/student-enrichment/>

We understand the pressures currently felt by our Key Stage 4 students and as such we have streamlined our student enrichment clubs into three strands: health and well-being, revision/homework clubs and physical activity.

We want to support our students in every step towards achieving the GCSE results they deserve and as such the library will be open to them for completion of homework – which their peers could support with. Their academic achievements are not just our focus, their physical health is also important and this is why there are many sports clubs open to students. Finally, students' mental wellbeing is incredibly important and we have numerous clubs available to students to aid positive mental wellbeing.

Students do not need to pre-book these activities, they can simply attend the club as and when they wish to or when they need to.

If you have any queries regarding the above time table, please do not hesitate to contact me efox@shuttleworth.lancs.sch.uk

*For all football sessions students will be required to bring and wear shin pads.

Kind regards,

Mrs Fox
(School culture: Rewards, Student Voice and Enrichment)
